A Trading Card Game for those with a healthy degree of ADD. Fatal Core is a Trading Card Game with a simple, clean interface, and a story that only gets stranger and stranger as you play. Meet the beautiful dark forces that have been biding their time to destroy you. Features Fatal Core: Strategic turn-based battle system. Play simultaneously, with each player taking a turn. Customizable decks. Build the perfect deck to harness any of the game's powers, then compete against other players! Rich lore. Trade and bond with other players. Or, spend your hard-earned cash to feed a dark hunger. What's coming in the future? RANKED PLAY: The game has expanded to include Ranked Mode with a minimum rank of 2. Deathmatch, Team Deathmatch, and Duels all have their own leaderboards and rewards! CUSTOM EVENTS: Equip special tasks to your character. Earn special rewards to use against AI bosses in a Raid. Summon ghost creatures to perform fun, heart-pounding special moves. NEW CHARACTERS: More than 200 new cards will be released every 2 months AI BATTLES: Unleash your inner-Galactic Warrior. Team up with other players to defeat powerful boss-style AI opponents. PvP: PvP battles are now possible. Battle your friends or whoever else is in the same channel. ACTION MAP: Spiked character cards can be used to go through walls, blocks, and enemy creatures. Danger is never more than a click away. REPLAY: Go back in time and save your best matches, watch them again and again, or share them with other players. WORLD MAP: Full-screen, 5x5 board map for players who need to take a break from the battlefield. EUROPEAN STEAM GAMES DAY: A global celebration of the grandest of Steam's games day will take place December 5th. Enjoy a whole day devoted to the finest games from our planet, and all for free! CHALLENGER MAILBOX: Players can now share challenges with other players via a mailbox system. Challenges can contain anything from pet battles to community events. Credit card and Paypal purchases not supported at this time. Fatal Core is in Early Access. To run as soon as possible, we only have enough money to purchase cards and support. To continue development, we need funding and are willing to do a crowd-funding
